

Consulting Services

SERVICE:

WARE LANGHORNE & ASSOCIATES provides practice management and business development expertise on a consulting basis.

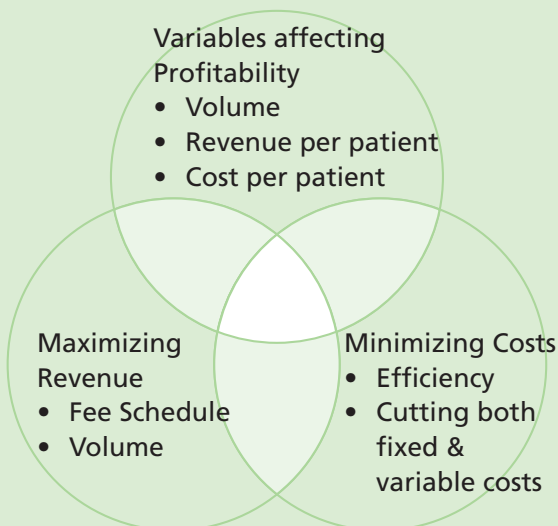

- Comprehensive practice assessment / operational evaluation
- Business development and strategic planning
- Complete review of business office processes
- Fee schedule analysis
- Coding review including medical records auditing v. CPT coding
- Health Insurance Portability & Accountability Act [HIPAA] compliance
- Physician and clinical staff recruitment support
- Assistance with regulatory agency compliance
- Custom payor matrices by specialty
- Financial Operations Analysis can help identify financial areas of opportunity and improve overall performance. This thorough review includes in-depth analysis of your revenue profile, overhead analysis, and fee schedule as compared to national and regional norms.

HIPAA

The Freedom to Choose What You Need... simply tell us how you want your practice to improve. We'll advise you about methods of operation that have proven successful in practices similar to yours. And we'll recommend a plan of action for implementing constructive improvements.

HOW PROFITABLE IS THIRD-PARTY REIMBURSEMENT?
